(b) if so, the reasons for closing these schools;

(c) whether it is a fact that the Minister of State for Primary and Secondary Education had assured the authorities running these schools to sanction to Rs.25,000 towards the repair works of these primary schools buildings;

SRI B. B. SAYANAK: — Sir I know from the Government or the Hon. Member of either it is a fact that the repair works of the primary schools were not being done in the beginning of the current year.

\*SRI M. MALLIKARJUNASWAMY: ...Yes.

SRI B. B. SAYANAK: . What is the reason for the repair works not being done in the beginning of the current year?

Asterisk: Indicate that remarks or speeches have not been revised by the member concerned.

SRI M. MALLIKARJUNASWAMY:—There was an economy order. That is why, it was not undertaken. Then, subsequently, in the month of August, 1974, orders have been issued to the effect that ordinary and special repairs may be undertaken to these primary schools.

SRI B. B. SAYANAK:—If there was an economy order, why the Government should not close these schools which are not in a good condition?

SRI M. MALLIKARJUNASWAMY:—How can we issue such an order?

SRI B. B. SAYANAK:—The Hon. Minister had mentioned in his reply that some discussion was held on 21-6-1974, when the State Minister of Education was in Belgaum. May I know with whom the discussion was held and the result of such discussion?

SRI M. MALLIKARJUNASWAMY:—Discussions were held with regard to the question of taking up repair works to these primary school buildings. The result of the discussions is indicated in the Government Order.

SRI P. A. PAWASHE: May I know whether any alternative arrangement is made for the students of the institutions which were closed?

SRI M. MALLIKARJUNASWAMY:... Alternative arrangements were made.

SRI B. B. SAYANAK:—It is not correct on the part of the Hon. Minister to say that alternative arrangements were made. These schools were closed for 15 days and there was a Morcha to the Deputy Commissioner. Is it not a fact?

SRI M. MALLIKARJUNASWAMY :...It is a fact. Alternative arrangements were made in a sense that students should not suffer.

SRI B. B. SAYANAK :...Is it not a fact that the Government has not sanctioned the maintenance grant to these primary schools and that is the reason why the repair work was not taken up?

SRI M. MALLIKARJUNASWAMY :... I have already answered. It was not done; subsequently, an order was issued.

SRI B. B. SAYANAK :...What I would like to say is that the maintenance grant was not sanctioned to these primary schools. Is it not a fact?

SRI M. MALLIKARJUNASWAMY :... I have already answered.
